

UK CONTRACTORS GROUP

UKCG Accepted Record Schemes

Version 5.00

(accompanies UKCG Health and Safety Charter July 2009)

UKCG Accepted Record Schemes

General Information

1. The UKCG list contains Record Schemes and not training organisations or schemes.
2. Record Schemes that wish to become affiliated to CSCS should contact CSCS on 01485 578777
3. UKCG prefer to have a single universal registration scheme and will continue to work with CSCS towards this goal either through affiliations or by creation of new occupational categories.
4. Schemes that have affiliated to CSCS go through a process. At the signing date a start date is agreed. Cards issued up to the start date must meet the affiliation criteria but old style cards are still issued. From the start date all cards issued will have the CSCS logo on. **This does mean that for newly affiliated schemes you may see different types of cards for a period of time. If you have any doubts about the validity of the card – CHECK IT OUT.**
5. Some CSCS cards have changed their names to reflect the title of the relevant NVQ. This means that you may see cards with different names on for up to 5 years.
6. The front of this booklet shows the current version number and the date when this booklet was last updated. You can access the most up to date booklet by visiting www.UKCG.org.uk
7. UKCG member companies recognise that there are not yet record schemes or cards for all occupations and will continue to work with appropriate record schemes to ensure that all relevant occupations encompassed.
8. A copy of the UKCG health and safety strategy is also available at www.UKCG.org.uk

UKCG Accepted Record Schemes

Scheme	Contact number	Information
Construction Skills Certification Scheme (CSCS)	01485 578777	Page 3
Construction Plant Competence Scheme (CPCS)	01485 577877	Page 7
Schemes affiliated to CSCS		
<i>(All new cards issued will have the CSCS logo on them)</i>		
Construction Industry Scaffolders Record Scheme (CISRS)	01485 577875	Page 8
Construction Skills Register (N. Ireland) (CSR)	028 9087 7143	Page 10
Demolition Operatives Scheme	01485 577467	Page 11
Engineering Services SKILLcard	01768 860406.	Page 8

Other schemes

Record schemes may be added to this list subject to the recommendation of the UKCG Working Group and acceptance of that recommendation by the UKCG.

Occupations covered by CSCS

CSCS covers a diverse range of construction occupations in building, civil engineering and allied industries. Membership of the Scheme is confirmed through the issue of a registration card and there are various types of card depending upon an individual's skill level.

There have been some changes to the CSCS card names to bring the cards in line with the NVQ names. New and renewed cards will be issued under the new name however existing cardholders will continue to hold cards in the old names.

New occupations introduced since the last version of this booklet will be underlined.

Each card is distinguished by its colour, which relates to the equivalent level NVQ.

- Green card - Labourer
- Red card - Trainee Cards, registered for an NVQ/SVQ
- Blue cards - NVQ/SVQ level 2
- Gold card - NVQ/SVQ level 3 (includes supervisors)
- White & blue - Experienced worker (*unqualified but experienced, holder has 3 years to gain an NVQ/SVQ*)
- Platinum - NVQ/SVQ level 4 (Managers)
- Black - NVQ/SVQ level 5 (Contracts managers)

CSCS Construction Related Occupations (CRO) Card

With effect from 1st August 2005 there will be a suite of occupations covered by the CSCS CRO card. This card has been opened to cover all of those occupations for which there is presently no associated NVQ and was previously subject to Non-Availability letters issued by CSCS.

A full listing of the occupations covered can be found on the CSCS website at www.cscs.uk.com or telephone **01485 578777**

CSCS Craft and Operative Level

- Access Floorer
- Aerial and Satellite Installer
- Antenna Systems Installer
- Asbestos Removal Operative
- Autoclaved Aerated Concrete Frame Erection
- Bench Joiner
- Bricklayer
- Built Up Felt Roofer
- Carpenter & Joiner
- Cavity Wall Insulation Technician
- Cavity Wall Tie Replacement Operative
- Ceiling Fixer
- Chimney Engineer
- Communications Installer (Infrastructure)
- Communications Installer Team Leader
- Construction Operative:
 - Concrete Placer
 - Concrete Repairer
 - Drainage Construction
 - General
 - Kerbs & Channels
 - Modular Paving
 - Spray Concretor
 - Streetworker
 - Structural Concretor
- Construction Site Operative (Green card only)
- Craft Mason
- Curtain, Blinds & Soft Furnishings Installer
- Damp Proofer/Wood Preserver
- Diamond Driller and Sawyer
- Directional Driller
- Door Systems Engineer
- Driller
- Dry Liner: Finisher
- Dry Liner: Fixer
- Dry Liner: Fixer / Finisher
- Escalator Installer
- External Plastering
- External Wall Insulation Installer
- Façade Maintenance: Cleaner
- Façade Maintenance: Surface Repairer
- Fence Installer General
- Fence Installer Vehicle Safety
- Fencing Supervisor
- Fenestration Surveyor
- Floorcoverer:
 - Resilient/Impervious
 - Textiles
 - Timber
 - Formworker
 - French Polisher
 - Furniture Installer
 - Glazier
- General Highways Maintenance Operative
- Heavy Timber Frame Carpenter
- High Speed Traffic Management
- Highways Maintenance Operative:
 - Drainage
 - Flexible Pavement Construction
 - General
 - Kerbs and Channels
 - Modular Pavement Construction
 - Shallow Drainage and Ducting Installation
 - Structural Concreting
- In-Situ Flooring
 - Cementitious Screeding
 - Concrete
 - Resin coating
 - Resin screed
 - Resin self smoothing
- Installation Co-ordinator
- Installers
 - Curtain Wallers
 - Conservatories
 - Windows And Doors
- Insulated Panel Installer
 - Insulated Enclosures Commercial
 - Insulated Enclosures Industrial
- Kitchen / Bathroom Fitter
- Land Driller
- Landscape Operative – Exterior
- Landscape Operative – Interior
- Lift Installer
- Lift Maintenance Operative
- Light Steel Frame Erection
- Lightning Conductor Engineer
- Liquid Waterproofing Operative
- Maintenance Operative

- Mastic Asphalter
- Operable Partitioner
- Painter And Decorator
- Painter And Decorator Industrial
- Partition Fixer / Demountable Partitioner
- Passive Fire Protection
- Piling Operative
- Plant Mechanic/Construction Plant Maintenance and Repair
- Plasterer: Fibrous
- Plasterer Solid
- Platform Lift Installer
- Post Tensioner
- Precast Concrete Installer
- Projection Plastering
- Public Utilities:
 - Electricity cable layer
 - Gas mains & service layer
 - Service duct layer
 - Telecom's cable layer
 - Water mains layer
 - Water services layer
- Road Building:
 - Bituminous pavior
 - Concrete pavior
 - Micro Asphalter
 - Planer
 - Surface dresser
 - Pavement marking – Hand
 - Pavement marking – Machine
 - Pavement marking - Stud
- Roof Sheeter And Cladder
- Roof Slater And Tiler
- Roof Slater And Tiler New Roof
- Roof Slater And Tiler Re-Roof
- Roofer – Metal Roofing
- Safety Net Rigger
- Sealant Applicator
- Security systems installer
- Service Lift Engineer
- Shopfitter Benchwork
- Shopfitter Sitefixer
- Sign Installer Illuminated
- Sign Installer Non Illuminated
- Single Ply Roofer
- Site Logistics General
- Site Logistics Plant
- Specialist Cladding and Rainscreen Operative
- Specialist Operative:
 - Concrete Placer – now specialist operative general*
 - Concrete Repairer – now specialist operative general*
 - Drainlayer - now specialist operative general*
 - General
 - Highways Maintenance
 - Land Drilling
 - Mason Pavior
 - Specialist Operative (continued):
 - Pavior – now specialist operative mason pavior*
 - Piling
 - Tunnelling
- Stairlift Engineer
- Steel Erector
- Steel fabricator – Plater
- Steel fabricator - Welder
- Steelfixer
- Steeplejack
- Stone Fixer
- Stonemason:
 - Banker
 - Banker/Fixer
 - Fixer
 - Marble & Granite
 - Setter Out
- Suspended Access Equipment Installer
- Thatchers
- Thermal insulation installer
- Timber Frame Erector
- Tunnellers
- Underpinners
- Upholsterer
- Wall and Floor Tiler
- Water Jetter
 - Drains & Sewers
 - Tube Cleaning
 - Surface Cleaning
 - Cutting & Breaking
- Wood Machinist
- Wood Preserver/Damp Proofer

CSCS Technical, Supervisory & Management

- Architectural Technologist
- Building Control Officer
- Building Maintenance & Estates Manager
- Building Maintenance & Estates Supervisor
- Building Site Manager (Conservation)
- Building Site Manager
- Building Site Supervisor
- Building Surveying Assistant
- Civil Engineering Site Manager
- Civil Engineering Site Supervisor
- Civil & Structural Engineering Designer
- Communications Technology Manager
- Communications Technology Supervisor
- Conservation Consultant
- Conservation Controller
- Construction Contracting
 - Buyer
 - Buying Assistant
 - Estimator
 - Estimating Assistant
 - Planner
 - Planning Assistant
 - Surveyor
 - Surveying Assistant
- Construction Health & Safety Officer
- Construction Health & Safety Manager
- Construction Health & Safety Senior Manager
- Construction Plant & Equipment Manager
- Construction Plant & Equipment Supervisor
- Construction Project Manager
- Construction Site Inspector (Assistant)
- Construction Site Inspector
-
- Construction Site Manager (Conservation)
- Construction Site Manager (Consulting Engineering)
- Construction Site Manager (Contracting)
- Construction Site Supervisor (Contracting)
- Construction Site Supervisor (Highways Maintenance)
- Contracts Manager
- Environmental Manager (Construction)
- Highways Maintenance (Manager)
- Highways Maintenance (Supervisor)
- Laboratory Assistant
- Laboratory Technician
- Manager Lift and Escalator
- Planning Supervisor (CDM)
- Property and Caretaking Supervisor
- Property Manager
- Quality Manager
- Quantity Surveying Assistant
- Quantity Surveyor
- Senior Transportation Practitioner
- Site Technical Assistant
- Spatial Data Manager
- Supervisor Lift & Escalator
- Surveying Assistant (General Practice)
- Technical Design Assistant
- Town Planning Assistant
- Town Planning Practitioner
- Transportation Assistant
- Transportation Practitioner
- Transportation Technical Assistant

Categories of Plant currently covered by the CPCS Scheme

- Agricultural Tractors
- Appointed Person
- Crane Supervisor
- Crawler – Tractor/Dozer
- Crawler – Tractor/Side Boom
- Crawler Crane
- Crusher
- Demolition Plant – Non Hydraulic
- Demolition Plant – Hydraulic Rotating
- Demolition Plant – Long Reach
- Dragline
- Drilling Rig
- Dump Truck – Articulated Chassis
- Dump Truck - Rigid Chassis
- Excavator 180° crawler and Wheeled above 5 Metric Tonnes
- Excavator 180° crawler and Wheeled below 5 Metric Tonnes
- Excavator 360° above 10 Tonnes (Tracked and Wheeled)
- Excavator 360° below 10 Tonnes (Tracked and Wheeled)
- Forklift Side-Loader
- Forward Tipping Dumper
- Grader
- Hoist
- Industrial Forklift Truck
- Loader Compressor
- Lorry Loader
- Mobile Crane
- Mobile Elevated Work Platform (Boom)
- Mobile Elevated Work Platform (Mast Climber)
- Mobile Elevated Work Platform (Scissor)
- Motorised Scraper
- Overhead Bridge Crane – Tracked
- Pedestrian Operated Tower Crane
- Piling Rig (Bored) (Above 15 Tonnes)
- Piling Rig (Bored) (Below 15 Tonnes)
- Piling Rig (Driven) (Above 15 Tonnes)
- Piling Rig (Driven) (Below 15 Tonnes)
- Piling Rig - Tripod
- Plant Loader / Securer (non STGO)
- Plant Loader / Securer – STGO
- Reach Truck
- Ride on Road Roller
- Rough Terrain Forklift/Masted Truck
- Road Rail Excavator
- Road Rail Excavator/Crane
- Screener
- Skid Steer Loader
- Skip Handler
- Slinger/Signaller
- Soil-Landfill Compactor
- Telescopic Handler
- Tower Crane
- Tracked Loading Shovel
- Trailer Mounted Concrete Pumps
- Trencher
- Truck Mounted Boom Concrete Pump
- Truck Mounted Crane
- Wheeled Crane
- Wheeled Loading Shovel

SCHEMES AFFILIATED TO CSCS

(At the time of publication)

Construction Industry Scaffolders Record Scheme (CISRS)

There are three types of CISRS card:

- Trainee card.
- Basic card
- Advanced card

All CISRS cards will now have the CSCS logo on. If a scaffolder has an old style card without the CSCS logo on he/she must update their card immediately. All CISRS cards now have an expiry date on them.

Engineering Services SKILLcard (Heating and Ventilating Operatives)

- Air Handling Equipment Services and Installation Specialist
- Adult Trainee
- Advanced Modern Apprentice
 - Without N/SVQ Level 2
 - H&V Installation (Domestic)/Plumbing with N/SVQ level 2
 - H&V Installation (Ductwork) with N/SVQ level 2
 - H&V Installation (Industrial & Commercial) with N/SVQ level 2
 - Rectification of Systems with N/SVQ level 2
 - Refrigeration/Air Conditioning with N/SVQ level 2
- BMS/Controls Systems Specialist
- Building Services Engineering and Maintenance Engineer
- Building Services Engineering and Maintenance Handyman/Assistant
- Building Services Engineering and Maintenance Technician
- Commissioning Trainee/Assistant
- Commissioning Technician
- Commissioning Engineer
- Commissioning Manager
- Contracts Manager
- Design Engineer
- Domestic Heating Fitter's Mate/Assistant
- Domestic Heating Installer/Fitter/Engineer
- Ductwork Cleaning Specialist
- Ductwork Erector/Installer
- Fire Protection Engineer
- First Line Supervisor
- Foreman
- Foundation Modern Apprentice
- Gas Fitter (Industrial and Commercial)
- Gas Fitter (Domestic)
- Intermediate Commissioning/Balancing Technician
- Heating and Ventilating Craftsman's Mate/Assistant
- Heating and Ventilating Fitter
- Heating and Ventilating Fitter/Welder
- Heating and Ventilating Installer

- Heating and Ventilating Pipefitter/Rigger
- Heating and Ventilating Welder
- Improver/Adult Trainee
- Junior/Assistant Project Engineer
- Medical Gas Services Installer/Engineer
- Pipefreezing Specialist
- Plumber (Industrial and Commercial)
- Plumber (Domestic)
- Plumber's Mate/Assistant
- Project Engineer
- Project Manager
- Quantity Surveyor
- Refrigeration/Air Conditioning Technician/Engineer
- Refrigeration/Air Conditioning Engineer's Mate/Assistant
- Senior Commissioning Engineer
- Service and Maintenance Assistant
- Service and Maintenance Manager
- Student Engineer/Student Apprentice
- Sprinkler Fitter/Installer
- Underfloor Heating Specialist
- Ventilation Hygiene Specialist
- Water Treatment Specialist

**Joint Industry Board for plumbing, mechanical and engineering services
in England And Wales (JIBPMES)**

There are four types of card:

- Apprentice
- Trained
- Advanced
- Technical

Construction Skills Register (N. Ireland)

- Amenity Horticulture
- Assembled Furniture Production
- Automotive Glazing
- Bench Joinery
- Bricklaying
- Building Site Management
- Building Site Supervision
- Built Up Felt Roofing
- Carpentry
- Chimney Engineering
- Civil Engineering Site Management
- Civil Engineering Site Supervision
- Construction Contracting (Buying)
- Construction Contracting (Buying)
- Construction Contracting
 - Estimating
 - Planning
 - Surveying
- Construction Operations
 - Asphalt Raking
 - Concreting
 - Dumper Driving
 - General
 - Kerbing/Paving
 - Line Marking – by hand
 - Line Marking – by machine
 - Piling
 - Pipe Laying
 - Planer Driving
 - Road Jointing
 - Roller Driving
 - Screw Man
 - Signalling
 - Spray Polishing
 - Spreader Driving
- Damp Proofing
- Demolition
- Energy Efficiency Services Provider
- Fenestration Surveying
- Floor Covering
- Form Working
- General Construction Operations
- Glass Batch Processing Operations
- Glass Decorating
- Glass Forming Operations
- Glass Manufacturing Processes & Production Operations
- Glass Melting Operations
- Glass Processing
- Glazing
- Installation of Glass Supporting Structures
- Installing Architectural Glazing Systems
- Insulation Services Provider
- Interior Systems
- Joinery
- Lighting Conductor Engineering
- Lightning Conductor Engineering
- Mason Paving
- Mastic Asphalt
- Painting & Decorating
- Painting & Decorating (Protective Coatings)
- Painting & Decorating (Special Effects)
- Painting & Decorating (Spray Painting)
- Painting & Decorating (Wide Width Coverings)
- Plant and Equipment Maintenance
- Plant Maintenance
- Plastering
- Product Support Operations – Glass (Cold End Operations)
- Production of Glass Supporting Fabrications
- Refractory Installations
- Roof Sheeting & Cladding
- Roof Slating & Tiling
- Scaffolding
- Scientific Glass Product Fabrication
- Shopfitting
- Specialist Operations (Steelfixing)
- Steel Fabricating
- Steelfixing
- Steeplejacking
- Stonemasonry
- Wall & Floor Tiling
- Welding
- Wood Machining
- Wood Preserving

Demolition operatives scheme

- Demolition Operative (Trainee)
- Demolition Operative 1 (Labourer)
- Demolition Operative 2 (Mattockman)
- Demolition Operative 3 (Topman)
- Demolition Operative 3 (Topman/Chargehand)
- Demolition Supervisor

Joint Industry Board Electrotechnical certification scheme (ECS)

- Electrician
- Approved electrician
- Technician
 - Site Technician
 - Installation Technician

SCHEMES NOT AFFILIATED TO CSCS

Building Engineering Services Scheme

Gas

Gas record cards and certification is valid for five years. The categories for which a candidate has been assessed are indicated by the expiry date. Expiry dates are for individual categories, not the whole card.

Domestic gas covers the following categories:

- domestic natural & LP gas safety
- cooking appliances
- fire and wall heaters
- water heating appliances
- laundry appliances
- heating boilers < 70kW
- ducted air heaters < 70kW
- meters.

Industrial and commercial gas covers the following categories:

- industrial and commercial natural gas safety
- commercial catering safety
- catering appliances
- test & purge
- first fix commercial appliances
- pipe installation < 75 mbar.

Water

The Unvented Hot Water Storage Systems Record Card covers the correct installation, commissioning and servicing of unvented hot water storage units in accordance with the requirements of the Building Regulations Section G3.

Refrigerants

This scheme covers the safe handling of Refrigerants and Anhydrous Ammonia, together with pipework jointing and brazing. The category is endorsed on the card that is valid for three years.

Electrical

Electrical covers the following categories:

- essential electrics
- electrical installation
- domestic heating systems control
- combination boilers.

Gas Safety Register (GSR)

All businesses, whether employers or self employed persons (sole traders) who carry out work on gas fittings using piped gas (includes bulk/metered supplies of LPG) must be GSR registered. "Gas fitting" means gas pipework, valves, regulators and meters, and fittings, apparatus and appliances for use by consumers of gas for heating, lighting cooking or other purposes.

All Employees of a GSR registered business must carry individual GSR identification cards if they are working on gas in addition to their core skill card.

FASET Scheme

- Housebuild riggers card.
- Safety net rigger general
- Safety net inspector course

GWINTO

- Gas Distribution (GD) 1 – New entrant requires extensive supervision
- Gas Distribution (GD) 1+2 – Mate requires supervision
- Gas Distribution (GD) 1+2+4 – Service layer
- Gas Distribution (GD) 1+2+3+5 – Main layer
- Gas Distribution (GD) 1+2+3+4+5 - Service layer and Main layer

Independent Rope Access Training Association (IRATA)

❑ Level 1 Rope Access Technician

A level 1 technician is capable of performing a limited range of rope access tasks required by his or her employers under the supervision of an IRATA approved level 3 rope access supervisor.

❑ Level 2 Rope Access Technician

A level 2 technician is capable of rigging working ropes, undertaking rescues and performing rope access tasks under the supervision of an IRATA approved level 3 rope access supervisor.

❑ Level 3 Rope Access Supervisor

Supervisors undertake a five-day training course in advanced rescue, equipment examination and legislation.

International Powered Access Federation (IPAF)

- ❑ Insulated Aerial Device (IAD)
- ❑ Mast Climbing (MC)
- ❑ Scissor Lift (SL)
- ❑ Self Propelled Boom (SPB)
- ❑ Special (*Unusual or complex machines which require their own course and which have make and model put on the back of the card*)
- ❑ Trailer/Push Around (TP)
- ❑ Vehicle Mounted over 26m (VM100)
- ❑ Vehicle Mounted to 26m (VM26)
- ❑ Vertical Personnel Platform (VPP)

Scottish Construction Operatives Registration Executive (SCORE)

SCORE is no longer affiliated to CSCS and UKCG sites should only accept cards where they were issued prior to December 2005. Existing holders of SCORE cards will generally be entitled to an equivalent CSCS card replacement and should contact CSCS in this respect.

- Bricklayer
- Built up felt roofer
- Carpenter & Joiner
- Ceiling Fixer
- Decorative Floor Layer
- Drainlayer
- Electrician
- Fence erector
- Floor coverer
- Ganger
- Glazier
- Heating and Ventilating Engineer
- HGV Driver
- Highways maintenance operative
- Kerb/Slablayer
- Mastic asphalter
- Painter and decorator
- Pavior
- Piling operative
- Plant Fitter
- Plant Mechanic
- Plant Operator
- Plasterer:
- Plumber
- Road/Streetworker
- Roof Felter
- Roof sheeter and cladder
- Roof tiler:
- Scaffolder
- Shopfitter
- Single ply roofer
- Slater
- Steelfixer
- Stonemason
- Taper
- Technician
- Tunneller
- Wall & Floor Tiler
- Welder
- Wood Machinist
